

*Below is a guideline to help you choose which program is most suitable for your child.*

I should register my child in the English Program (Français de base) if he/she:

- has basic French skills.
- can benefit from constant review of basic vocabulary, grammar concepts and writing skills in both languages.
- works well with additional support (as needed).
- is comfortable learning/ studying the French language at a gradual pace and in only 1 subject (Français).

I should register my child in the French Immersion Program (Français Immersion) if he/she:

- has advanced French skills (oral and written).
- is an independent learner and enjoys the challenge of producing projects/assignments in French.
- is currently having success in Géographie/Histoire and Science et Technologie at the elementary school level and/or is comfortable learning/studying various subjects in the French language (Histoire/Geographie/ Français /Sciences).
