Good afternoon John Rennie families,

Next week we will be collecting items that will benefit those affected by the flooding. All donations will go to West Island Community Shares or On Rock and distributed directly to flood victims.

We have been informed that the following items are needed;

- canned meats & can openers
- peanut butter
- diapers (both adult and infant)
- cleaning supplies (ex. Mr Clean, Fantastic etc) & rubber gloves
- gift cards from grocery stores, pharmacies, Walmart, Canadian Tire etc

All items can be left at main reception.

We thank you in advance for your generosity,

Cristina Prata  
Principal
