#### What is Home & School?

JRHS Home and School Association is a not-for-profit, volunteer organization made up of a group of dedicated parent volunteers working in collaboration with the school administration and its teachers toward the common goal of enhancing our children's school experience.

#### Membership:

There is a \$19 annual fee for H&S membership (\$2 if you are already a member at another school). This fee gives you the right to vote at our meetings, includes the opportunity to receive Quebec Federation of Home and School Association (QFHSA) material and attend QFHSA conferences and programs.

A form for membership is attached. You do not need to become a member and pay the fee to join our meetings. Membership allows you an official vote but all are able to be involved.

#### Advantages to joining our association:

- Have a vote on which fundraisers are done in the school.
- Have a vote as to what areas of the school should benefit from our fundraising profits.
- Having the opportunity to meet other parents from all grade levels is a great way to familiarize yourself with the school.
- Get a glimpse of what activities and projects are going on in the school.
- Make great friends!

#### **We are always looking for volunteers and helping hands.**

#### Examples of where we need volunteers:

- Open House – baking cupcakes, greeting parents and students, handing out information
- Helping out during staff appreciation week
- TCBY Sales in school throughout the year
- Convocation – helping with set-up, serving refreshments
