Good afternoon John Rennie Parents,

Please review the following morning and after-school routines with your child(ren):

Supervision begins after 7:15 am and, therefore, students should not be entering the building before that time. School ends at 3:35 pm and we ask that all students leave the building by 4:15 pm unless they are in a supervised after-school activity. If your child cannot be picked up before this time we ask that you make alternate plans, as we do not have adult supervisors.

We would also like to bring your attention to the Drop-Off Zone and Parking Lot Procedures. For details follow this link: <http://johnrennie.lbpsb.qc.ca/notices.htm#Zone>

Thank you for your cooperation.
