

October 26, 2017

Dear John Rennie Families,

We were recently informed by the Municipality of Pointe-Claire that on November 1st, the intersection of Maywood and St. Louis will be closed for two days of excavation. Maywood will be closed at Drake and Douglas Shand. Municipality personnel will be on hand to direct drivers along the detour route. This will understandably result in a few delays in transportation.

Please consult the attached traffic plan from Pointe-Claire for more details.

Regards,

Cristina Prata

Principal
