Dear Parents of Secondary 1-4 Students,

On Tuesday, May 15th, secondary 5 students will be writing their French Ministry (MEES) exam. This exam will take place in the Sport-Études and 500 hallways. As a result, classes taking place in these areas of the school will be relocated to other rooms. A schedule of room changes will be posted outside of the front office.

NB: the Sport-Études hall and 500 hall will only be accessible to students before 8am and after 12:05pm. It is recommended that students with lockers in those areas carry items for all morning classes, including snacks, with them that day, in a backpack.

Classroom teachers will also be advising their students of the changes.

Thank you.
