Dear Parents of Secondary 5 Students,

On Tuesday, May 15th, secondary 5 students enrolled in **français de base** will be writing their French Ministry (MEES) comprehension exam. This exam will take place in the Sport-Études and 500 hallways. Students should arrive on time as the exam will begin promptly at 9am. As per MEES guidelines, students arriving after 9:15am will not be admitted to the exam room. A detailed room schedule will be posted in the Sport-Études hallway.

There will be no S-Block for Sport-Études students, but morning Ped Support classes will still be open.

Please note that regular classes are cancelled for secondary 5 students on May 15th. Students who are enrolled in **français enrichi** will have a Study Room available to them on May 15th from 9am - 12pm as their exam will take place June 7th. For any questions regarding the upcoming exams, please communicate with your son / daughter's French teacher.

Finally, please be advised that we have noted that the day of the exam, May 15, falls on the day of a potential bus strike and interruption to transportation for many families. We will continue to monitor the situation closely and will communicate updates as they become available.

Thank you.
