Subject: Reminder of OPUS tour photo session at your school

To whom it may concern,

The STM reminds you that the Gestion Termico inc. photographer will be holding a photo session at your school next **August 23th from 9:00 am to 3:00 pm** to issue photo OPUS cards to your students. The photographers will arrive around 8:15 am for the installation of equipment.

If the expiry date on a student's photo OPUS card is October 31, 2018, or if a student does not already have a card, he or she can obtain a new card during your school's photo session by paying the required amount and showing one of the documents specified below:

➤ **Payment in cash:**

\$6 for schoolchildren 6 to 11 years old
\$14 for students 12 years old or over

N.B.: Students who turn 12 by October 31, 2018, must pay \$14.

➤ **Proof of age:** health insurance card, driver's licence, passport, refugee claimant document, permanent resident card.

N.B.: As student cards are issued by an educational institution, not by the government (federal, provincial, territorial), they are not accepted.

➤ **Duly completed photo OPUS card application form**

- **The application form is compulsory for all students, regardless of their age.**
- For students age 13 or under, the application form must be signed by a parent or guardian.
- The seal for students who turn 16 before October 31, 2018 is not needed if students have their picture taken during the photo session at your school. They must have the form stamped with school seal only if they choose to go to the STM photo studio.

For students 6 to 15 years old who use paratransit, an OPUS *Transport adapté* ID card is sufficient to obtain the reduced fare. Students aged 16 and over, however, have to obtain a photo OPUS card each year; to do so, they have to show their *Transport adapté* ID card, as well as one of the above-indicated documents.

Students who are unable to attend the OPUS photo session at their school must go to the STM's photo studio located at 1717 Berri, inside the bus terminal (Gare d'autocars de Montréal), at the Berri-UQAM métro station (corner of Berri and Ontario streets).

Details and documents are available at stm.info/opusetudiants.

Thank you for your cooperation.
