

September 7, 2018

Good Afternoon,

Earlier today, Sport-Études students from all grade levels were assembled to review Handbook protocol as well as the start of Ped Support.

In addition to the JRHS Code of Conduct, Sport-Études students were asked to print and review the Sport-Études Handbook, which is available on the school website. Students are also required to sign and return the handbook to homeroom teachers by September 28th.

Ped Support will officially begin on September 10th. A schedule has been attached for review, and will also be available on the school website. Teachers have also posted and distributed the schedule to students.

Finally, on behalf of the Sport-Études staff and administrative team, I would like to wish you a good start to your respective sports seasons.
