

John Rennie High School

HOME & SCHOOL

JRHS Home & School is a not-for-profit association comprised of a group of dedicated parent volunteers working in collaboration with the school's administrative body and its teachers towards one common goal: ***Enhancing our children's educational experience and learning environment!***

Throughout the year, we host several events & fundraising initiatives to help the school provide additional materials, extracurricular activities, and more. To be successful, we need your help! Funds raised enables Home & School to purchase and/or fund activities, events & resources needed within the school, including, but not limited to:

- School materials (for the classes, the gym, music room, & the school in general)
- Teacher's classroom wish lists
- Staff Appreciation Lunch
- Charging tables for iPads and smart phones
- Special Programs (i.e. Anti-Bullying)
- & much more (we are always looking for ideas)

There is a \$20 annual fee for a Home and School membership or a \$3 fee for an Associate Membership (a full membership is held at another school).

Payment is not required to attend H&S meetings. This fee gives you the right to vote at our meetings, includes the opportunity to receive Quebec Federation of Home and School Association (QFHSA) materials, and attend QFHSA conferences & programs.

To join, please fill out the form below and submit it with your payment to the office or at our meetings. For more information, please contact us at: jrhs.hands@gmail.com.

JRHS Home & School Membership Form

Name: _____

Phone Numbers: _____

E-mail Address: _____
