There are 4 academic periods per day. Periods are 50 minutes long.

Classes begin at 8:10 am
Classes end at 12:00 pm

Pedagogical support will be available from:
7:30 am - 8:00 am and

PEDAGOGICAL SUPPORT MEASURES

Available before and after class.

Individual and small group sessions where teachers will give additional instruction to students who are having difficulty with subject content areas. This will include review of topics previously missed due to absence.

Teacher-supervised preparation and catch-up sessions before and after lengthy absences for competitions.

Close-tracking of student academic progress (i.e. homework assignments, tests) and regular feedback to students on the evaluation of their work. When academic performance falls below an acceptable level, parents will be notified and a plan for recuperation proposed.

Regular liaison between teachers and coaches to evaluate whether the balance between academic and athletic demands are being met.

Each student will have an e-mail address to communicate with teachers.

Academic counselling services are available.
